### REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance:

The primary reason for allowance of claim 1 is the inclusion of the limitations of

"The electromagnetic actuator comprising a spring capable of keeping the control member in the active position, and an electromagnet capable of moving the control member into the passive position; wherein the force exerted by the spring of the actuator is significantly less than the force exerted by the pressure on the valve body of the intake valve: and wherein the control unit comprises control means for driving the electromagnetic actuator by means of a pulse of current of short and constant duration that the prior art of record neither taught nor suggested; see applicants arguments filed on 10/21/04.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
